

AMENDMENTS TO THE SPECIFICATION

In the Preliminary Amendment filed on December 13, 2001, a "Claim of Priority" was added on page 1 of the specification. Mistakenly, priority was claimed to provisional application No. 60/306,479. At this time we would like to correct the claim to priority with the following amendment to the "Claim to Priority" paragraph on page 1 of the specification. In accordance with the Revised Format, an accompanying "clean" version of this paragraph has not been supplied, as this requirement has been eliminated.

~~This application claims priority from provisional application entitled "FOCUS ELECTRODE, ELECTRO-KINETIC AIR TRANSPORTER-CONDITIONER DEVICES," Application No. 60/306,479, filed July 18, 2001 under 35 U.S.C. 119(c), which application is incorporated herein by reference.~~ This application is a continuation of U.S. Patent Application No. 09/730,499 filed December 5, 2000, which is a continuation of U.S. Patent Application No. 09/186,471 filed November 5, 1998, now U.S. Patent No. 6,176,977, all of which are incorporated herein by reference.
